Then the chick must trek to the freezing ocean to look for fish and begin its adult life. When the chick hatches, mom returns from the ocean to meet her new baby for the first time and bring it a nourishing meal of regurgitated fish. I am planning on a Sharing Saturday post soon with some others I've seen around the web, and if there's much interest I'd be happy to put up more of mine! I may share at any of these parties! Want more? Each little penguin grows bigger and bigger until the day when its parents no longer arrive with a meal. My daughter loves them, and I'm trying to decide how many to share. Advanced embedding details, examples, and help! Through the bitter Antarctic winter, a father emperor penguin nurtures and broods a large egg while his partner is out at sea, feeding. So begins the life of one of the most fascinating birds on Earth! In Penguin Chicks, readers will learn the details of how these baby birds grow up in a penguin nursery among thousands of other chicks. Do you use mini-books like these?
